

Privacy Policy for Learny

Last updated: 30.01.2026

1. Introduction

This Privacy Policy (“Privacy Policy”) describes how **Learny** (“we”, “us”, or “our”) collects, uses, stores, and protects personal data when you use the Learny mobile application and related services (the “Service”).

Learny is an AI-powered educational application designed to support learning through interactive conversations, quizzes, and adaptive educational content.

By using the Service, you agree to the collection and use of information in accordance with this Privacy Policy.

2. Who We Are

- **Product name:** Learny
 - **Legal entity:** Learny OÜ (Estonia)
 - **Backend hosting:** Hetzner (Germany, EU)
 - **Primary users:** Individuals of any age
 - **Purpose:** Educational and informational use only
-

3. Information We Collect

We collect only the information necessary to operate and improve the Service.

3.1 Information You Provide

- Name or nickname (provided during registration or onboarding)

- Optional demographic information (such as age or gender, if provided)
- Messages and interactions within the app (text input)
- Quiz responses and learning progress
- User preferences and settings

3.2 Authentication Information

Learny uses **Firebase Authentication**. Depending on the login method, we may receive:

- User ID (UID)
- Email address (if provided)
- Display name (from Google / Apple sign-in)
- Authentication provider type

We do **not** store passwords.

4. Audio and Voice Data

- Learny **does not record or store voice audio**.
 - Speech-to-text functionality is used **only for real-time transcription**.
 - Voice data is processed transiently and **is not stored**, logged, or reused.
-

5. Automatically Collected Information

We may collect limited technical information, including:

- Device type and operating system

- App version
- Anonymous usage metrics
- Crash and performance data
- Approximate location (country/region level, derived from IP)

This data is used solely to maintain service stability and improve performance.

6. Use of Artificial Intelligence

Learny uses AI models (including third-party large language models such as OpenAI and potentially others in the future) to generate educational content and responses.

- User messages may be sent to AI providers **solely to generate responses**.
- Data sent to AI services is minimized and context-specific.
- AI responses are generated dynamically and are **not guaranteed to be factually correct**.

Learny is an educational tool and **does not provide professional, medical, legal, or psychological advice**.

7. How We Use Your Information

We use collected information to:

- Provide and operate the Service
- Personalize learning content
- Track learning progress and quiz results
- Improve app functionality and AI responses

- Ensure security and prevent misuse
- Comply with legal obligations

We do **not** sell personal data.

8. Children and Minors

Learny is accessible to users of any age. However:

- The Service is **not specifically directed at children**.
- We do not knowingly collect sensitive personal data from children.
- Learny does **not replace parental supervision**.

Parents or guardians are responsible for monitoring children's use of the Service.

9. Data Storage and Security

- Data is stored on secure servers located in the **European Union (Germany)**.
 - We use industry-standard security measures to protect data.
 - No system is 100% secure, but we take reasonable steps to protect information.
-

10. Payments and Financial Information

- Learny does **not store payment card details**.
- Payments are processed by third-party platforms (e.g., Apple App Store, Google Play).
- We only receive confirmation of subscription status.

11. Data Retention

We retain personal data only as long as necessary:

- To provide the Service
- To comply with legal obligations
- To improve learning personalization

You may request deletion at any time.

12. Account Deletion

Users can delete their account directly from the app (where available) or by contacting support.

Upon deletion:

- Personal data associated with the account is removed
 - Anonymized analytics data may be retained
-

13. Push Notifications

Learnly may send push notifications related to:

- Learning reminders
- Progress updates
- Service-related messages

You can disable notifications at any time via device settings.

14. Third-Party Services

Learnly uses trusted third-party services, including:

- Firebase (authentication, analytics)
- Cloud infrastructure providers
- AI model providers

These services process data only as required to provide their functionality.

15. International Data Transfers

All data is processed and stored within the European Union.

If data is processed by third-party AI providers outside the EU, appropriate safeguards are applied.

16. Your Rights (GDPR)

If you are located in the EU, you have the right to:

- Access your data
- Correct inaccurate data
- Request deletion
- Restrict processing
- Object to processing
- Data portability

Requests can be made via contact information below.

17. Changes to This Policy

We may update this Privacy Policy from time to time.

Changes will be reflected by an updated “Last updated” date.

Continued use of the Service constitutes acceptance of the updated Policy.
